

## Donation Form

The Childhood OCD Project is a 501(c)(3) non-profit charitable organization based in Boulder, Colorado. Founded in 2003, the Childhood OCD Project is dedicated to helping kids who suffer from Obsessive Compulsive Disorder.

The Childhood OCD Project is possible only because of the generous support of private individuals and Foundations interested in helping kids with OCD – and their families, teachers, and physicians. We welcome any contribution. Please fill out this form and return it to:
